Sir,

I am to forward herewith a copy of letter No.EVQ/EST dated 7.3.53, from Collector & Dy. Custodian of Evacuee Property, Belgaum, requesting this office to move Government to sanction an extra renumeration of Rs. 15/- to the clerk and Rs. 25/- to the Deputy Chitnis doing the work in connection with Evacuee Property, in his district. This office does not entirely agree with the Collector's proposal. However, extra renumeration of Rs. 10/- p.m. is recommended to be given to the clerk only.

Yours faithfully,

Ref:- Your No.CEP/ESTT dated 16.1.53.

No special staff for work relating to Evacuee Property has been sanctioned for this District.

There are 6 properties which have been declared as evacuee property so far in this District. This work is being done by a clerk who is dealing with Hotel licences, Criminal returns, miscellaneous cases, cases under the press Regulation Act, etc. This clerk has to look to this work in addition to his other work by spending an extra hour, or so every day. Similarly Deputy Chitnis also has to look to this work by spending an extra hour or so every day.

The work relating to evacuee property and Rehabilitation of displaced persons is increasing. In all 31 returns are to be complied out of which one is a forthightly return 24 are monthly returns, and the remaining 6 are quarterly returns.

In addition to this work, the evacuee property ae accounts are to be maintained and audit points are to be compiled with. Besides, this, information regarding evacuee property and accounts is often called for by and it is to be compiled by referring to the previous accounts and it is a laborious task. On many occassions the information is called for telegraphically and it has to be supplied promptly.

All this work would justify creation of a clerk's post especially for this work. But in view of the economic stringency, Govt. may not agree to create a new post of a cl for this work only. I, therefore, propose that the clerk de with this work may be granted monthly allowance of Rs. 15/- i addition to his pay and the Deputy Chitnis scrutiniging th may also be paid monthly allowance of Rs. 25/- in addition pay w.e. from the date of their attending to th

would be an encouragement to them to work extra hours and to bring the work up-to-date. Government may be moved to approve this proposal as early as possible.

2 The R.H.D. has clarified the points raised by F.D. and has also furnished the necessary information It will be seen that the evacuee property work constitutes only 1/4 of the total weekly receipts of the clerk and does not therefore, seems to warrant grant of any additional remuneration.

A

C Of similar work can be managed in other Distts. by existing staffs without any additional remuneration, there is no reason why it cannot be so managed in Belgaum Dist. alone. Besides, it appears from the foregoing R.H.D. note that the proposal is likely to have repercussions.

B In these circumstances, F.D. may not agree to the R.H.D. proposal. If approved, Deptt. may be informed accordingly.

There is no case for special pay

No special staff for work relating to evacuee property has been sanctioned for this district. The work is done by one of the clerk from the Dy. Chitnis branch of this office. Prior to the separation of the Judiciary from the Executive 5 posts of clerks were sanctioned for the Dy. Chitnis Branch. But after the separation of the Judiciary from the Executive one post of a clerk dealing with EC work has been retrenched w.e. from 1-7-1953 as per orders contained in Government Home Department Res. No. 1790/7-II dated 9-6-1953. The magisterial clerk was dealing with the following work in addition to magisterial work.
1) Nolda & Chikodi Fund of accounts. 2) Restoration of property confiscated during the political movement of Ramdurg. 3) Exumation of remains of deceased persons from Cematries. 4) Verification of character & antecedents. 5) General application received from the public.

After the abolition of the post of a magisterial clerk this work has been already distributed among the remaining clerks. The work pertaining to EC compliation has not been reduced much after separation. As the Sub-Divisional Magistertes & Taluka Magistrates have been empowered to try Executive cases the work pertaining to transfer of cases, withdrawls of cases miscellaneous cases, submission of B returns, investiture of powers, inspection of the Courts of the Executiv Magistrates is still being done by this office.

Though there are 7 evacuee properties the accounts are to be maintained in 24 prescribed forms. The accoun are rather complicated & require much time. 37 periodic returns are to be sent to the custodian of Evacuee Property Bombay as detailed below.

1) Fortnightly one
2) Monthly 24
3) Quarterly 9
4) Six-Monthly 3

Audit Notes of evacuee property drawn by the Exami er, Outside Audit Department and notes drawn by the Dy. Custodian of Evacuee Property Bombay are also to be complied with promptly, The evacuee property accounts are audited every six months by the Examiner Outside Audit Department.

About 60 applications for grant of licences to keep a place of public entertainment (Hotel licencex) for appointment of agent, change of addresses etc., are received every week. The average number of applications for grant of arms licences received prior to 1949 durin every month about 30. Now about 60 applications are received every month. On account of seizure of unlicenced arms in this District.,the work such as restoration of arms, grant of arms licences, considering withdrawl of criminal cases under the Arms Act, has enormously increased during this year.

In addition to this about 500 applications for entry & deletion of weapon from arms licences, extension of time to purchase weapons, entry of retainers names in the licences, etc., are being received every month. Village defence parties have been formed in more than one thousand Villages in this District. Many application are received from the members of the public for grant of arms licences. The work of arms ~~lic~~ compilation has therefore increased so much that it has become impossibl for one clerk to pull on with this work.

The work of Public Security Measures for w temp post of a clerk has been sanctio

hand.

sanctioned has also not been decreased. On the other hand this work is on the increase . On account of Criminal activities of the Goondas in this District. The work of imposition of additional police in Certa Villages of Khanapur Belgaum & Chandgad Talukas is also in progress as the residents of these Talukas a concerned in the commission of offences. (smuggling of liquors from Goa border) under the B.P.Act 1948.

In view of the above facts it is practically im possible to give some relief to the clerk dealing wi Evacuee Property work by transferring a portion of h work to some other staff.

I would therefore request you to move Governmen to sanction one post of a clerk specially for the wo pertaining to evacuee property, Rehabilitation of refugees, etc., and if it is not possible to sanction one post of a clerk to move Government to sanction special allowance to the staff doing this work as proposed in this office letter No. EVQ/EST dated 9-6- otherwise it is likely that this may not receive adequate attention.

Collector & Dy. Custodian,
of Evacuee Property, Belgaum

RHD/B.

In this foregoing letter, dtd the 2/11/53, the Coll. and Dy. C-P, Belgaum has proposed the creation of a post of clerk and if that is not possible the has proposed the grant of spl. pay to the staff doing the work of administration of Evacuee property ~~Act~~ ~~work~~ work

2. Attention in this connection is invited to O.N. 1, dtd the 14/8/53. As stated therein, the work of Administration of Evacuee Property Act is Cleary in Belgaum and as such the Coll's proposal to sanction the spl. pay to the staff doing the work was reasonable. Now with the separation of the Judiciary from the Executive, there has been retrenchment of a post of clerk doing the magisterial work with the result that this work had to be distributed among the other staff. In view of this the Coll. now finds it difficult to give relief to the clerk dealing with the Evacuee property work by ~~transferred~~ transferring a portion of this normal

work to the other staff. There is, therefore, sufficient justification for the grant of spl. pay of Rs 15/- p.m. to the clerk doing the evacuee property work.

The DO may, therefore, be requested to reconsider the proposal in the light of the facts stated above.

In the circumstances now explained by the Collr. in his letter under ref. above, he is for orders whether a spl pay of Rs. 10/- p.m. may be sanctioned to the clerk.
